Join me, Vivian Beiswenger, or Cecilia Cheung or other dancers on one of the dance cruises below. **There are great deals on 2016 and 2017 cruises by many cruise lines.** The best segments on **2017 cruises are selling out and 2018 prices are very good, if booked now.** All of the **Cunard** (#1 cruise line for Ballroom Dancers) and **Crystal** (#1 luxury all-inclusive cruise line) cruises have dance hosts and dance lessons included. Cunard has the largest dance floors at sea, real dance teachers and nightly ballroom dancing on every cruise. Crystal cruises include gratuities, alcoholic beverages, free Wi-Fi and more). My rates are competitive and I never mark up the cruise for the extra dance lessons that come when a cruise is escorted. In fact, we usually beat the published rates by having group rates, group amenities (such as onboard credit) and referral credits and by knowing the product better.
